About / Sourcing

Trusted silicone mold solutions, crafted for quality and consistency. Built for your brand.

Factory-direct silicone mold production

High-quality molds made by our own factory.

Over 18 years of silicone mold manufacturing experience

Experience you can count on. Quality you can trust.

Stocked molds and custom mold development

Choose from our in-stock collection or create something custom.

U.S.-managed communication and project coordination

Responsive support and clear communication every step of the way.

Production through our factory in Zhejiang, China

Reliable manufacturing with global reach.
